Student Development Workshop
Wednesday, February 13 from 5:30 – 6:45 p.m. in C31 PC
Are you preparing to apply for a job or internship? Stuck figuring out how to describe your Admissions experiences on your resume and cover letter? Register to attend the Office of Admissions’ Student Development workshop! At this hands-on workshop, representatives from Iowa Grow, Career Services, and the Office of Admissions will help you learn how to communicate and leverage the skills you have learned through you time volunteering and working for the Office of Admissions.

Please register by 5:00 p.m. on Monday, February 11th to attend. Also, please bring a hardcopy of your current resume and a cover letter to a job/internship you are planning to apply or have applied for to the workshop as you will have the opportunity to receive feedback and make edits. (Don’t worry about it being perfectly polished – this is a workshop to help you make improvements!) If you do not have a resume and/or cover letter, we encourage you to still attend and listen.
